

gocycle[®] S
the all rounder

gocycle[®] GX
the fast folder

gocycle[®] G3
the design icon

MSRP **£2,499.00**

Shifting
Mechanical twist shift

Frame material
Magnesium

Wheels
Magnesium quick release

Daytime Running Light (DRL)
No

Battery
In frame Li ion 13.5Ah, 22V, ~300Wh

Range
Up to 40 miles (65 km)

Gear display
Mechanical

Battery display
On battery

Riding modes
Multiple, programmable via GocycleConnect app

Charging
7 hours, upgradable

Handlebar adjustment
Reach

Brakes
Hydraulic disk, front and rear

Cable routing
Partial external

Folding method
Demountable separable

MSRP **£2,899.00**

Shifting
Mechanical twist shift

Frame material
Aluminium

Wheels
Magnesium fixed

Daytime Running Light (DRL)
No

Battery
Quick removable Li ion 13.7Ah, 22V, ~300Wh

Range
Up to 40 miles (65 km)

Gear display
Mechanical

Battery display
LED mini dash

Riding modes
Multiple, programmable via GocycleConnect app

Charging
7 hours, upgradable

Handlebar adjustment
Fixed

Brakes
Hydraulic disk, front and rear

Cable routing
Partial external

Folding method
Fast folding

MSRP **£3,499.00**

Shifting
Predictive electronic shifting

Frame material
Magnesium (Carbon*)

Wheels
Magnesium quick release

Daytime Running Light (DRL)
Yes

Battery
In frame Li ion 17Ah, 22V, ~375Wh

Range
Up to 50 miles (80 km)

Gear display
LED dash

Battery display
LED dash

Riding modes
Multiple, programmable via GocycleConnect app

Charging
4 hours

Handlebar adjustment
Height and reach

Brakes
Hydraulic disk, front and rear
